# Using Parental Control

Restricts set-top access to specific channels, ratings, content, titles, and time periods and allows you to manage PPV purchasing by requiring a PIN entry.

## Access the Parental Control settings

Press **MENU** until the Settings Menu displays. On first entry, you will need to set up and remember your Parental Control personal identification number (PIN).

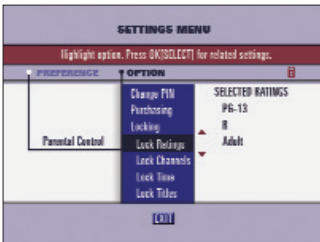

### PIN Set Up

Use **▲** or **▼** to highlight the Parental Control preference. Press **▶** and follow the PIN setup instructions on the screen (and note your PIN for future use).

### Show Parental Control Options

Highlight Parental Control. Press **▶** and enter your PIN. Use **▶** or **◀** to enter/exit settings. Press **▲** or **▼** and **SELECT OK** to change items.

## Set up viewing and purchase restrictions

Display the Parental Control options (as above).

### Choose what to Lock

Highlight Lock Ratings, and press **▶** for settings. Press **SELECT OK** on each rating you want to have blocked whenever Locking is turned on.

Repeat with Lock Channels. Lock a Time Period, Lock Titles and Lock Content if desired. Press **INFO** for help.

### Turn on Locking

Enter the Locking option, highlight On and press **SELECT OK**.

### Disable Locking

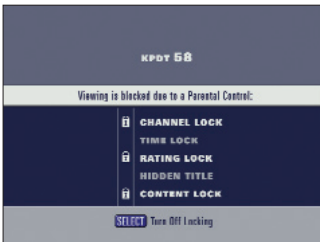

Enter the Locking option and highlight Off/Disable and then press **SELECT OK**.

### Restrict Purchasing

From Purchasing, press **▶**. Select "PIN Required" for mandatory PIN entry when buying PPV events. Press **SELECT OK**.

### Turn off Locking

From a blocked program, press **SELECT OK**. Choose "This" or "All" Channels and press **A**. Enter your PIN and press **C** to remove the confirmation dialog.
