ENTERTAINMENT REDEFINED

TO SET UP YOUR RCN TiVo®

Say “Hello” to more fun and endless entertainment possibilities. Say “Goodbye” to channel surfing! Imagine having your TV shows, Internet videos, music and photos right there on your TV—whenever you want them! From a device so smart, it knows what you want and even helps you discover new programs you’ll love.

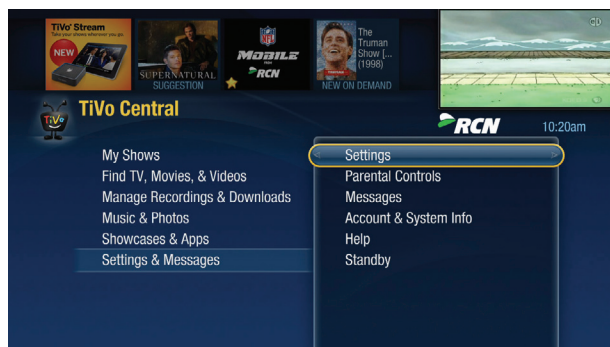

Everything starts from the TiVo Central screen, just press  on your remote control.

STEP 1

Update the Network Settings – Using the TiVo Remote

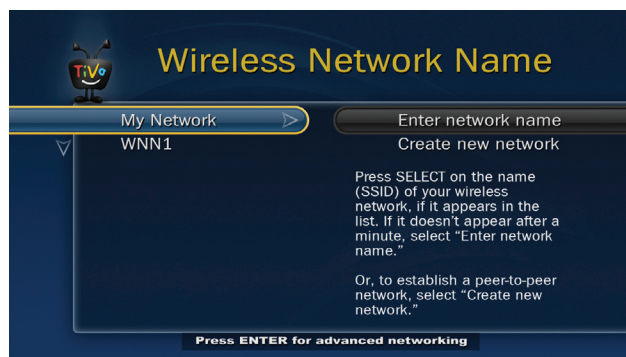

From the TiVo Central Main Screen

- Select “Settings & Messages”
- Select “Settings”
- Select “Network”
- Select “Change Network Settings”

If Wireless

- Press “Select” on the remote to continue
- Select your SSID (Network Name)
- Enter the Network Key (if encrypted)
- Select “Done Entering Network Password”
- Select “Get automatically from a DHCP Server”
- Press “Select” to continue

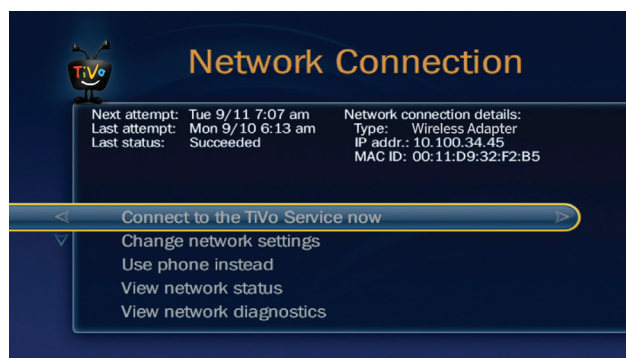

If Wired

- Select “Get automatically from a DHCP Server”
- Press “Select” to continue

STEP 2

Connect to TiVo Service

From the Network Connection Screen

- Select “Connect to TiVo Service Now”
- Select “Go Back (connecting will continue)”
- Press  on the TiVo Remote

STEP 3

Set Up Channels You Receive

From the TiVo Central Screen

- Select “Settings & Messages”
- Select “Settings”
- Select “Channels”
- Select “Channel List”

Scroll through the channels and check the channels you receive (or uncheck the channels you do not receive). Refer to your channel line-up with your indicated packages that you receive.

- Select “Done” when you have completed your channel selection
- Press  on the TiVo Remote to go back to TiVo Central
