STEP 7
Locate your RCN packing slip. Follow the instructions to ensure proper account setup and optimum service.

STEP 8
To utilize all the features of your remote control, please reference the included instruction sheet.

You're all set. Start enjoying.

If you have any questions with your installation, please go to www.rcn.com/help or call 1-866-TECH-RCN (832-4726).
Welcome to 100% all-digital channels from RCN. With access to over 200 all-digital channels and 1,000's of On Demand shows, RCN Digital Cable transitions your home entertainment experience. Let's get started!

**STEP 1**
Connecting your converter box
(A. Wall Outlet or B. Open Cable Wire)

A. Wall Outlet
Connect one end of the coaxial cable to the wall outlet and the other end to the “Cable In” (or “RF IN”) connection on the back of the RCN converter box.

B. Open Cable Wire
(This wire could be coming out of the floorboard, window, etc)
Connect the open cable to the “Cable In” (or “RF IN”) connection on the back of the RCN converter box.

**STEP 2**
Connect one end of the coaxial cable to the “To TV or RF OUT” connection on the back of the enclosed converter box and the other end into the “Cable In” connection on the back of your TV.

**STEP 3**
Connect the power supply cord into the back of the converter box, then plug the other end into an electrical outlet. Ensure a wall light switch does not control the outlet. If it does, set the switch to the “ON” position.

**STEP 4**
Turn on the television with the TV remote. Turn to channel 3 (channel 4 in Pennsylvania and Illinois areas).

**STEP 5**
Insert batteries into the RCN remote control.

**STEP 6**
Press the CBL button on the remote. The power light on the converter box will illuminate.

**Please Note:** In order for your installation to be successful, you must install ALL converter boxes that are not yet connected. Follow the previous steps for the other converter boxes included in your order before continuing to the next step.

You are now ready to activate your RCN converter box.

**ADDITIONAL EQUIPMENT**
Please note, if you use your own Audio/Video cabling and/or a DVD or other recording device, refer to the manufacturer instructions for equipment installation to converter boxes and TVs.
